The above-identified application became abandoned for failure to file a response placing the application in condition for allowance by the end of the six-month period for response to the Final Office Action dated September 17, 2003. The abandonment date of this application is March 17, 2003, the day after the six-month expiration date of the period set for response to the Final Office Action.

A response to the Final Office Action, in the form of an Amendment and Request for Reconsideration, along with a request for a two-month extension of time and the \$210 fee was timely submitted to the United States Patent and Trademark Office on February 4, 2004, within the second month of extension for responding to the Final Office Action. The two-month request for extension of time effectively extended the time for responding to the Final Office Action to February 17, 2004.

Subsequent to the Amendment and Request for Reconsideration submitted on February 4, 2004, an Advisory Action was mailed by the Patent Office, dated March 19, 2004, two days following the six-month expiration date from the date of the September 17, 2003 Final Office Action. The Advisory Action was received by applicants' attorney on March 22, 2004.

1           Applicants hereby petition for revival of this application. The \$665 small entity petition to  
2 revive unintentionally abandoned patent application is enclosed herewith, as noted below.

3       1. Petition Fee/Small Entity Status

4           The small entity petition for unintentional revival fee of \$665 is enclosed herewith, as noted  
5 below.

6           Small entity status was previously established and is still proper. See 37 C.F.R. § 1.27.

7       2. Proposed Response and/or Fee

8           The proposed response and/or fee to the above-noted Final Office Action is in the form of a  
9 Request for Continued Examination (RCE), submitted concurrently herewith, with the required small  
10 entity fee of \$385 included, as noted below, and includes a request to have the Amendment and  
11 Request for Reconsideration dated February 4, 2004 entered.

12      3. Request for Extension of Time

13           A two-month small entity Request for Extension of Time to extend the period for response to  
14 February 17, 2004 was previously submitted with the Amendment filed February 4, 2004 (received by  
15 Patent Office February 9, 2004). The required small entity fee for a two-month extension of time is \$210,  
16 whereas the required small entity fee for a three-month extension of time is \$475. As \$210 of the \$475 fee  
17 has been paid, an additional \$265 is included in the enclosed below-noted check, to account for the fee  
18 difference between the two-month (already paid) and the three-month extension fee (now required).  
19 Applicants respectfully request that the shortened statutory period for response to the Final Office  
20 Action dated September 17, 2003, set to expire on the 2<sup>nd</sup> month of extension (February 17, 2004), be  
21 extended by the third month, to March 17, 2004.
